POSITION IDENTIFICATION

Position Title: Senior DPI Laborer
Department: Department of Public Infrastructure
Status: Full-time, Non Exempt
Normal Workweek: Monday – Friday, Weekends as assigned by Supervisor

SUPERVISORY RELATIONSHIPS

Reports to: Operations Division Manager

POSITION PURPOSE

This is a skilled labor and equipment operator position performing work required to maintain and operate the streets and sanitation, parks and cemetery subdivisions of the Department of Public Infrastructure. Employees working in this position will be assigned to one of the subdivisions, but will be required to perform tasks in the other two seasonally. Employees must be available for emergency work 24/7. The employee must possess the ability to get along well with the public, with employees and management. General assignments are received from a superior, but employees in this class are expected to exercise judgement in selecting work methods and in planning details. Work is performed under the supervision of Subdivision Team Leaders and the Operations Division Manager, who inspect work in progress and upon completion for conformance with specifications. This position is accountable for work involving the use of decisive judgement and planning ability as needed. This is a position requiring mature judgement, detailed planning ability, and the ability to direct staff as priorities change as supervision is executed over FTE and / or seasonal employees. The position works under the general direction of the Division Manager and / or Team Leader and is expected to carry out most of the duties of this position independently. General assignments are received from a manager, but Senior DPI Laborer employees are expected to exercise judgement in selecting work methods and in planning details.
