Public Notice of an Air Pollution Control Permit Application Review

18-0610

Facility Description

Tramontina US Cookware Inc, located at 2005 Mirro Drive, Manitowoc, Manitowoc County, Wisconsin, FID 436030210, submitted to the Department of Natural Resources (DNR) a permit application, including plans and specifications for the revision of operation permit 436030210-P31 for the operation of an existing aluminum cookware facility.

Air pollution control Part 70 source operation permit revision no. 436030210-P33.

The Wisconsin Department of Natural Resources issues Air Pollution Control Operation Permits for sources of emissions, as required by chapter NR 407, Wis. Adm. Code, and Title V of the Clean Air Act (Act). The draft operation permit also contains no revisions to Title I conditions.

Application Review

DNR has made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit should be approved. You can review the permit application, the DNR's analysis and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin, 53703; and at Southeast Region Air Program, Waukesha Service Center, 141 NW Barstow St., Room 180, Waukesha, WI 53188; This information is also available for downloading from the Internet at <http://dnr.wi.gov/topic/AirPermits/Search.html>.

For questions on the permit application, the DNR's analysis and the draft permit prepared by the DNR, or to make arrangements to review the documents at a DNR office, please contact Samantha Whitens at (608) 273-5947 or by e-mail at Samantha.Whitens@wisconsin.gov.

This is a preliminary determination and does not constitute a final approval from the Air Management Program or any other DNR sections which may also require a review of the project.

Public Comments

Interested persons wishing to submit written comments on the application or DNR's review of it or wishing to request a public hearing should do so within 30 days of publication of this notice. Posting and Public Comment Deadline dates can also be found on "Air permit public notices" web page located at http://dnr.wi.gov/cias/am/amexternal/public_notices.aspx. Comments or request for hearing should be sent to:

Wisconsin Department of Natural Resources, South Central Region Headquarters, 3911 Fish Hatchery Road, Fitchburg, WI 53711. Attn.: Samantha Whitens.

If a hearing is requested, the requester shall indicate their interest in the permit and the reasons why a hearing is warranted. Information on the public commenting and hearing process is available at <http://dnr.wi.gov/topic/AirPermits/Process.html>.

All comments received by the DNR at the public hearing, if one is held, and prior to the close of the comment period, will be considered prior to making a final decision regarding the proposed project. After the close of the public comment period, a final decision will be made on whether to issue or deny the air pollution control permit. Information on the public commenting and hearing process is available at <http://dnr.wi.gov/topic/AirPermits/Process.html>.

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.

For Part-70 sources, the revised operation permit will not be issued until the United States Environmental Protection Agency (US EPA) has an opportunity for review. After all comments received during the public comment period have been considered, a proposed revised operation permit will be drafted and sent to the US EPA

for review. DNR will post the start date of the US EPA review on the Internet at <http://dnr.wi.gov/topic/AirPermits/Search.html>. Any person may petition the US EPA under 40 CFR Part 70.8(d) within 60 days after the expiration of US EPA's 45-day review period to make an objection to the operation permit revision. DNR will post the deadline for this petition on the Internet at the above address. Unless the US EPA objects in writing to the issuance of the operation permit revision as proposed within US EPA's 45-day review period, DNR will issue the final operation permit revision as proposed.
