Weed cutting
Aug 2, 2017, 9:24:36 AM
cscheinoha@manitowoc.org

This is a request for you to wave the fine portion of billing sent for property's owned on Ridgeway Ct. As I explained to Mr. Scheinoha I was out of town for 6 days working as a volunteer for the state of WI at Farm Tec show in Algoma where we hosted 50,000 people in 3 days. That takes over 2000 volunteers. When I got back to MTWC the 5 bis days had passed and weeds had been cut by a private contractor. In this case 5 bis days is not a realistic notice. I have the tractor mowers and operators that have always done this cutting in the past. I have owned these lots for 10 years also 13 acres on South 30th St. Never has the city had to do any of the cutting. Over the past 25 yrs when ever the city needed a large 30 ton equipment trailer the superintendent (Behnke or others) was told just take one No Chg. Thank you for looking at this matter. Jim Schaus
