RE: Refilling a Parkworker Position Due to a Retirement

On February 10, 2014 Donald (Butch) Drumm turned in his intent to retire effective April 15, 2014. We would like your approval to refill his position and to begin advertising for a replacement Parkworker I to replace Butch who is a Parkworker II. In addition, we would request to elevate Dave Schultz from Parkworker I to Parkworker II. Dave has been a Parkworker I for the past seven (7) years and performs the same duties with the same experience required for a Parkworker II. This new hire and elevation of Dave Schultz will result in a budget savings for the first six months of \$7.09 per hour and for the second six months of \$4.38 per hour, estimated total salary savings of \$12,800.00.

With your approval to proceed we will make a request to the Personnel Committee and with their approval prepare a resolution for the above for the March 3, 2014 meeting of the Common Council.

Respectfully submitted,

Dan Koski
