Dear Ms. Hennessey

My husband and I have lived on the corner of 19th and Columbus for 5 years. In that time we have witnessed at least 5 different car accidents just on our corner alone. The most recent one that happened on 2/3/14 ended up with a car on the snow bank in my front yard. All of these accidents are caused by the uncontrolled intersection on our street. It has gotten to the point that I fear for the safety of my family, not to mention the safety of the children walking to and from Jefferson and Washington Jr. High School. The majority of people driving through the uncontrolled intersections fail to yield, stop, or look both ways; instead they speed through them without giving it a second thought.

I'm writing you this letter today to ask that stop signs or at the very least yield signs be placed at all the numbered streets connecting to Columbus street. I hope you understand the urgency of my request and I'm looking forward to hearing from you.

Sincerely,

Jodi Teesch
