Good Morning Nick,

I had a request from another Alderman for you to give an update on the budget for all of the downtown projects that were budgeted for this year (specifically the 8th Street corridor). In other words, what has been done, what is still scheduled to be done this year and the amount of money spent and intend to be spent. In speaking with Steve last week, I know there is a spreadsheet that they have available that shows exactly what I think this Alderman wants.

The Finance Committee will be meeting Tuesday, August 4th, 5:30 PM in the Council Chambers. It will also be available through Zoom. Please let me know your availability.

Thanks!
