Alderman Kummer,

Would you be willing to add the discussion of allowing rentable cabins in all city parks to be reservable (I realize that isn't a word) until 12:00am?

Thanks all for the discussion!

- Justin

I like it and support it as well, but agree with Nick on the other Cabins. I was asked recently by Jim Brey if people renting could still stay in LP Cabins until midnight. I would recommend we change it for all of them.

I'm especially okay with this without the added fee. I would prefer it be 11pm for everyone, or 12am for everyone renting the Fieldhouse. Word of caution that this may spread to people wanting cabin rentals in Lincoln Park and so forth being extended an hour.

Hi Mayor,

Denise passed this on to me as facility rentals are handled through our Parks Office. Currently, the Silver Creek facility rental time is from 9 am – 11 pm. As long as PD is okay with the later times we can change Silver Creek to 9 am – 12 am and have the event end at midnight with two hours to clean-up, so out by 2 am. There appears to be no ordinance for Silver Creek that says rentals must be out by 11 pm. I not sure it is worth the administrative time to charge an extra fee for an hour and to have to keep track and notify PD for any rentals going to midnight.

Please let me know how you would like to proceed. This would need to go to the PI Committee and Council if we are looking at adding a new fee.

All –

A few people brought up a point that I would like to consider.

Silver Creek Park Fieldhouse.

Chances are it will be utilized for wedding receptions, class reunions, basically "fun things" that happen in the afternoon/evening.

Technically they need to vacate the premises by 11:00pm (correct?)

Last few weddings and class reunions I attended went past 11....

Here is my thought.

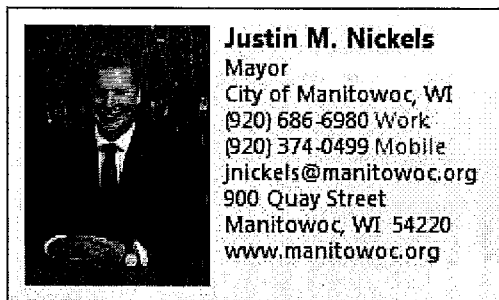

Advertise it that the event needs to end by 11:00pm and they will have a 2 hour window after that to clean up. That way they can party until 11:00pm and not worry about ending early to clean up.

ALSO, for an additional fee (I dunno, \$50?) they can add an extra hour. So, party ends at midnight and cleaning ends at 2:00am. These would be sent to PD so they are aware people are in the park.

Thoughts? If an ordinance needs to be changed, that's easy. So don't use that as an excuse not to ☺

Thanks!

- Justin
