Greg,

Please review the draft amendment attached. I sent the draft for the DNR to review and the DNR confirmed this would be eligible for \$30,000 of principal forgiveness and the remaining \$32,000 is loan eligible. If the amendment looks acceptable, I will get the hard copies to Matt Richards for signature and sent to your attention for City approval.

When do you like the hard copies by? April 5?

Thanks,  
Phil
