Good morning Shawn,

Attached is the contract for a recently awarded Site Assessment Grant through the WEDC for environmental work at the former mall property. I believe you were aware of this one and I believe this is at the point where you would like to run it through the Finance Committee. As a reminder, we were able to secure support from Bay-Lake Regional Planning Commission to cover the local match.

If you have any questions, or need anything further, please let me know.
