① Old alley? 1986 our new address (28 yrs.) 203 Meadow Ct. Basement no water, till changes in alley.

② Our water piped to S.B. area, when? Since then big change in trying to keep clean toilets, sinks, kitchen stainless steel sinks, scummy in a few days, - kitchen odor coming up trap, different times of the day, why? No problems before water sold to S.B.

③ Tapes? Our home has access to Meadow Ct, Meadow Lane, ~~the alley~~, plus the alley? Why? We don't use it. Our cedars block us totally from the alley. \* The other 3 property owners on the other corners, have the same problem, no real access to the alley, due to bushes, cedars, trees, etc. So why are we charged for the alley?

\* Future, changes in properties, use

of alley, put it on our tapes?

Ralph & Karen Kriescher
