RESOLUTION

WHEREAS, Section 7.240 of the Municipal Code provides that assessments for street snow removal may be assessed by Resolution of the Common Council; and,

WHEREAS, Wisconsin Statute §66.0627 authorizes municipalities to impose a special charge against real property for current services rendered by allocating all or part of the cost of the service to the property served; and,

WHEREAS, business property on both sides of streets included in the mandatory snow removal route are assessed the actual cost of the snow removal costs for snow located within the public right-of-way; and

WHEREAS, all property owners in the City are prohibited from depositing snow from driveways, parking lots, and other private improvements on City streets; and

WHEREAS, the cost of removing snow from private improvements is not included in the assessment charged to business properties located on the mandatory snow removal route; and

WHEREAS, the Common Council wishes to assess business property owners located in the mandatory snow removal route for the actual costs of removing any snow deposited onto City streets from private improvements;

THEREFORE, BE IT RESOLVED by the Mayor and Common Council of the City of Manitowoc, that all property owners located on the mandatory snow removal route be assessed the actual costs of removing any snow deposited onto City streets from private improvements.

BE IT FURTHER RESOLVED that snow removal charges for snow in the public right-of-way will continue to be assessed on a lineal foot basis as previously set forth by the Common Council.
