Hi Sandy and committee

I have some information listed below to help with social distancing and clarify some of the steps we are taking. I spoke with Chief Blazer this morning as well.

In our original application we had said alcohol would be served. We have since decided not to go ahead with that as part of this year tournament.

This is a pool play tournament. Each pool usually has 4 teams in it and based on the record in that pool they get seated in the single elimination tournament. Therefore we will be eliminating teams as the tournament progresses.

Pool games and time limits are 1:15 with no new inning starting after that. It's not a drop dead time so we plan 1:25 from the last start time. This allows for field prep and teams to leave and next teams to arrive.

At MYBA we are using 2 of the 4 diamonds. We are doing this for the incoming teams to warm up and social distance from other teams. At Lincoln and Westfield we will use the extra space in the outfield for this. The current permanent fence is 275 feet. The temporary fence put in from the city is 200 feet which will give those parks the same space for warm up and social distance. We are also told we could use a field at cp and this could help us move the tournament along even more efficiently.

A email will be sent to all teams regarding grandparents. We are encouraging them not to attend as they are considered high risk from CDC.

Concessions we are talking with Roncalli booster club to run them as a third party. We are only serving pretty packaged drinks and chips to limit lines and congregating while eating forcing teams to eat off site at restaurants or hotel rooms. We aren't serving any food or ice cream or such. We are telling concessions to wear masks and gloves.

Umpires will be directed to announce before the game as a public service announcement to remember social distancing and wash hands. MYBA we will look to utilize the sound system.

Safety plan. Contact 911 for emergencies. We will encourage in a weather situation to take cover in their cars.

Masks can be worn by players but not required. The mask rule is a national federation rule that doesn't allow pitchers to wear flashy colors. Must be neutral color. The reason behind it is the bright color can distract the batter from batting and cause injury. This is especially true with colors yellow or red as it is the same color as the ball.

The teams that come to our tournament are mostly all long standing teams that have played in the tournament for the last 10 years.

In our rules, teams must carry hand sanitizer and we will also have hand sanitizer stations around.

I know last year we had run out of toilet paper. Just wanted to see how to go about that for restocking.

Thanks  
Adam
