

Dear Mayor Nichols,

I would like to bring to your attention
that there is not a stop sign near Madison Elementary
on the street of Cleveland Ave 4th Street.
This is a place where kids are crossing across
the street in the morning and late afternoon.
Cars go by like crazy. It is putting kids in
danger because there's no crossing guards.
No cars will be nice enough to stop either.
Cars also come out of nowhere. We
were wondering if you could place a stop sign
or something to let cars know to
slow down.

Sincerely 4th Graders;

Josephine Korinek and Lila Speth
