Subject: Request for Pedestrian Crosswalk by Riverview School

I received a call this morning about the lack of crosswalks by Riverview school. There are lots of children walking to school and it is very difficult to cross Michigan Ave with the busy traffic. There are not crossing guards on duty, so the kids are left on their own to get across the street. This parent is hesitant to let her children walk to school because how unsafe the walking conditions are. She said the ideal location to install one would be Michigan/River Bluff because most of the children come from that way.

I can get you her contact information if you need it.

Thank
you,
