For the April election, Redeemer Lutheran Church on Menasha Avenue did not want us to use their facility for voting due to COVID-19. Due to COVID we were able to make that change at the last minute without adopting an ordinance. Today I received a message from them that they do not want us to use their facility for August election.

For April we used Lincoln Park Cabin 2. It is not perfect for the Presidential Election because it is on the smaller side but due to the large number of voters who will be voting by mail this year, I think it will be fine.

I will have an ordinance drafted for Kathleen's approval and put this item on the July Finance Agenda. If anyone has any other places that might work, let me know. With this addition, we will have six locations that are City owned. It is good that we have this kind of control over our polling places.

However, the deadline for changing a polling place is JULY 13<sup>TH</sup>. Our next Council meeting is July 20<sup>th</sup>. I'm guessing we will need a special Council meeting to effect this change.
