I could not find anything online or in our department records that would preclude me from approving his application.

**Subject:** Out of State Operator License Applications

Good afternoon,

We received another operator license application from someone that just moved to Manitowoc from out of state: James Pickering, Tennessee (application attached). It sounds like Council will be amending this ordinance at the September meeting, so going forward we shouldn't have many more of these.

Please let me know if background check checks out and we will issue after the Council meeting.

Amanda – please hold on issuing this license until after the Sept. Council meeting.

Thanks!
