I'm told I'll know a number by tomorrow. But I think you need to know today. So, I'd suggest..."Discussion and possible action for permission to use Donation Tube money for minor remodeling of the Education Building kitchen area." The exact dollar amount will be known by the time the committee meeting occurs.

Thanks ~ Jim

How would you like the agenda item worded? I don't know what the issue is with the zoo kitchen.

Do you have something regarding the zoo kitchen for the Park & Rec meeting next week?
