**Subject:** Request for field naming

Goodwill Industries of North Central Wisconsin would like to exercise the \$100,000 donor privilege to name the field, realizing that it needs to be acceptable to and approved by the City.

Our request is to name the field: Goodwill NCW Miracle League Field of Dreams at Dewey Street Park.

We will work with the City to design permanent field signage recognizing major donors at the end of the capital campaign. For this summer season, we would simply use a vinyl banner affixed to the top of the backstop fence.
