RE: Purchase of a New Leaf Blower - Evergreen Cemetery Using Funds from End Of Life Asset Sales

Recently several end of life assets for the Cemetery were sold on auction resulting in proceeds of \$1,753.00. The Cemetery would like to use these funds toward the purchase of a new leaf blower. The cost of the leaf blower is \$1,979.00.

Funding for the balance to cover the purchase will come out of Other Capital Equipment. No additional dollars are being requested.

Thank you for considering this request.
