

Hi Chad,

It is fine with me not to have a meeting in January 2019 to address the fees being rounded to the next \$5.00 increment on the price list. Regarding the mower purchase from the PCF I am fine with that also. If you need anything further you can give me a call or send an email. I am under the impression that we still are going to have the March 2019 meeting as scheduled, advise if not.

Regards,  
Dennis Harrigan

**Subject:** RE: Cemetery Commission Meeting 1/31/19

I don't see any issues with the fees. We can take to PI Committee as recommended by the Cemetery Commission if I get the ok from the Chairman.

I did want to look at approval for a mower purchase from PCF. If the commission wants, I don't see any reason we can't go ahead by e-mail as well. The attached memo is from the attorney recommending that grass cutting equipment be purchased from the PCF. I would look for the ok from the chairman (Dennis Harrigan) to move forward and take this to the PI Committee for formal action.
