

Gumby's Club Fore a Cure

Annual Golf Outing Fund Raiser

The fight against cancer goes on and I know we are going to win this thing! Hardly anyone I know can say they DON'T have a friend or relative that has battled this terrible disease. I was diagnosed March of 2011 with Kidney Cancer. My right kidney was removed but the cancer has spread and I am in chemotherapy treatments to prevent the cancer from further spreading or growing. Because I personally know how cancer can affect families physically, emotionally and financially, I am asking for your help because I think it's important that we all join together to help win the fight against cancer and help those families in need.

The fifth annual **Gumby's Club Fore a Cure Golf Outing Fund Raiser**, benefitting local families affected by cancer and Relay for Life, will take place on Sunday, July 12, 2015 at the Meadow Sports Complex in Manitowoc, Wisconsin. (Relay for Life raises over 40% of the funding for the American Cancer Society.)

Our 2014 event was a great success and this was due to the tremendous support and generosity of local companies, individuals, and friends!

I am asking if your company would consider making a cash donation, and/or a donated item for our Silent Auction and Raffle.

Please call Rob Roseff (920) 676-8271 or Denise Roseff (920) 889-6045 with any questions or to arrange to have a donation picked up. You may also mail donations to:
