Dan/Sonja,

This should probably go on the PI Committee so we have a record of the grant.

Subject: External: Attention - 2022 Urban Forestry Grant Agreement

Congratulations! As previously notified, you have been selected to receive a 2022 Urban Forestry Grant from the WI Department of Natural Resources.

Your official 2022 Urban Forestry agreement is attached. As stated in the attached letter, signed agreements are due back within 10 business days.

Also attached is a 2022 Award Reference List.

Remember, even though the agreement is being signed early, only applicable project costs incurred between January 1 and December 31, 2022 will be eligible for reimbursement; wait until after the first of the year to expend project time or funds.

Please contact me if you have any questions. I look forward to working with you over the coming year.

Have a safe, happy and healthy holiday season!
