Paul,
I am interested in filling the open position on the Community Development Authority committee. Here is a quick review of my past and present commitments:

August 2013: Realtor license; started full time in Jan 2014 with Action Realty.
2000-2013: Sales and Marketing, Natural Ovens Bakery.

Manitowoc County Master Gardener Volunteers: currently President, we work in conjunction with the UW-Madison MG program being the feet on the ground in Manitowoc County (or should I say "hands pulling weeds"). Our commitment is to education and volunteer within the community. (Lincoln Park Zoo, Woodland Dunes, educating Girl Scouts, etc).

Co-chair of Urban Green Gang (under Mainly Manitowoc) Set up and organized the planter program downtown along with the 4 large concrete planters and marquee sign at the Farmers Market.

Business Development Committee member for Mainly Manitowoc.

I am a strong believer in committing time and resources to our downtown and have volunteered in numerous ways-Manitowoc Symphony, Mainly Manitowoc float in Holiday Parade, Tom Drill's Showtime, etc. I am also a strong believer in being involved in our community-our typical Saturday morning in the summer is going to the Y, going to the farmers market, going to the library... I have also involved my kids in volunteering.

I think that should cover it.

Thanks!
chelle
