Good morning;

I hope this doesn't cause too much problem but can you read the email below from Alderman Able. I would appreciate if you could get this on the agenda for the meeting on Monday.

The two to be recognized are Motor Pump Operator Brad Olivera and his wife Shawna Olivera. Please let me know if you need any further assistance.

Regards

Todd

Todd,

I just thought it would be nice to recognize and thank him. Ideally, I would like us to recognize an exemplary Public Safety officer at each meeting. I don't know that we can give commendations and would that that would be more appropriate from PFC or Council, but I do think that some monthly recognition would be great for improving the Committee's knowledge of the staff and all that they do.

If you think we should have "Recognition of ..." on the agenda, let's have Patti add it in after Public Comment.

Thank you,

Christopher Able

Greetings;

The Manitowoc Firefighter from yesterday in the news is Brad Olivera who resides in Two Rivers.

He actually credits his wife with noticing the fire and he just did the door knocking. I asked for both to be present on Monday night.

Is there anything else you would like me to do?

Regards

Todd
