**WHEREAS**, a parcel of land owned by Canadian National Peninsula in the City, roughly bounded by North 18<sup>th</sup> Street on the east, Evergreen Cemetery on the North, and a railroad on the south, (the "Property") has been proposed as the site for various public improvements and private development projects; and,

**WHEREAS**, blight elimination, slum clearance, and urban renewal and redevelopment projects at the Property will protect and promote the health, safety, and general welfare of citizens of the City; and

improvements on the Property, and to subsequently transfer portions of the Property to private developers; and,

**WHEREAS**, Section 5(c)1g. of the Act provides that the Authority may acquire blighted property without designating a redevelopment area or adopting a redevelopment plan if the Authority obtains advance approval of the Common Council by at least a two-thirds vote; and,

**WHEREAS**, the Authority will conduct a duly-noticed public hearing at which all interested parties will be afforded a full opportunity to express their views respecting this preliminary determination of blight for the Property; and,

**WHEREAS**, the City staff have made preliminary findings and recommendations that (i) found the Property to be a “blighted property” within the meaning of Wis. **WHEREAS**, in accordance with the Act, this Common Council now finds it necessary and in the public interests that the Authority undertake activities to eliminate and prevent blight, obsolescence, and the deterioration of the Property and to promote redevelopment and urban renewal on the Property; and,

**WHEREAS**, this Common Council has studied the facts and circumstances relating to the Property and the proposed acquisition of the Property, consideration having been given, among other items, to the following matters: (i) the definition of “blighted property” contained in Section (2m)(bm) of the Act, (ii) the Report with respect to the existence of blight on the Property in the context of the Act, (iii) the past and existing condition of, and the proposed uses of, the Property and of similar properties, (iv) the goals and objectives of the proposed acquisition of the Property, (v) visual inspections of the Property and surrounding areas by various members of the Authority and by various staff of and consultants to the City, and (vi) reports and recommendations to the Common Council by the Authority and City staff members.

**NOW THEREFORE, BE IT RESOLVED** by Mayor Justin M. Nickels and the Common Council of the City of Manitowoc that:

1. The Common Council hereby finds, determines and declares that the Property is blighted within the meaning of Section (2m)(bm) of the Act which substantially impairs or arrests the sound growth of the community.

2. The Common Council finds that a comprehensive redevelopment plan is not necessary to determine the need for the acquisition of the Property, the uses of the Property after acquisition and the relation of the acquisition to other property redevelopment by the Authority.
