**RE:** Manitowoc Family Aquatic Center Pass for Eggstravaganza

The Lincoln Park Zoo, Jaycees, and Optimists have requested a donated Family Pass for the 2020 season at the Manitowoc Family Aquatic Center. The donation of this pass would serve as the "Grand Prize" at their annual Eggstravaganza Event. The Parks and Recreation Division support this donation. This partnership has been ongoing since the Eggstravaganza event in 2014. We would like to see this donation continue as their Grand Prize for Eggstravaganza 2020.

I recommend the City accepting this proposal for following reasons:

1. To continue the tradition of a Manitowoc Family Aquatic Center- Family Pass being the grand prize at the event.
2. To show our support of the Lincoln Park Zoo during this community event.
3. To provide the community with the unique opportunity to win a Family Pass.
4. Additional advertising of Manitowoc Family Aquatic Center and passes we offer.
