Dear Mayor and Common Council,

I respectfully request Mayor Nickels appointed Aaron Erdmann and Gregg Wolf to the Manitowoc Library Board to fill the two seats of current members whose terms will expire on June 1st 2021.

I believe these two individuals have backgrounds which would bring needed diversity to the Library Board. I urge you to make the right choices for these two positions and bring Aaron Erdman and Gregg Wolf, by your appointment and approval, on to the Manitowoc Library Board.

Sincerely,

John Herrenbruck
