Brian Anderson, Facility Services for Holy Family Memorial, was present on behalf of Eric Braun to discuss this request. The proposed change would eliminate a total of six on-street parking spaces between Riverview Drive and Meadow Lane; however, there is adequate parking available in the parking lot.

Amber Daug's also expressed concerns regarding the placement of additional No Parking signs on the east side of Riverview Drive in front of Core Treatment Services.

Engineering Division Manager Greg Minikel was present and supported the request, noting that the width of the roadway is very narrow.

Moved by Cummings, seconded by Beeman, that this Action Item be approved and referred to Council. The motion carried by the following vote:

Aye: 4 - Reckelberg, Beeman, Cummings and Benzinger

Abstain: 1 - Anderson

[26-0722](#) Request to install stop signs at the intersection of South 22nd Street and Summit Street for northbound and southbound traffic on South 22nd Street.

This request was submitted through the Road Sign/Pedestrian Crossing Request Form. After reviewing the area, Engineering Division Manager Greg Minikel recommended installing stop signs at the intersection of South 22nd Street and Summit Street for northbound and southbound traffic on South 22nd Street due to a site obstruction.

Moved by Cummings, seconded by Beeman, that this Action Item be approved and referred to Council. The motion carried by the following vote:

Aye: 5 - Reckelberg, Beeman, Cummings, Anderson and Benzinger

[26-0723](#) Request to prohibit parking on the east side of the roadway at the intersection of S. 35th Street and Lindbergh Drive.

Aldersperson Benzinger explained that this item was brought forward on behalf of a constituent. The area of concern is the 45-degree curve in the roadway at 35th Street and Lindbergh Drive.

Neighboring residents were invited to attend the meeting, and those present expressed that they did not support the request.

Engineering Division Manager Greg Minikel explained that the street is 36 feet wide, which is common for residential areas in the City and allows for typical parking on both sides of the roadway. Greg also expressed concern that removing parking on both sides of the street could result in increased speeding in the area. Greg further added that painting double yellow lines in the roadway may be beneficial and could help address the concern.

A motion was made by Aldersperson Cummings to deny the request for No Parking restrictions and instead paint double yellow lines in the roadway.

Moved by Anderson, seconded by Beeman, that this Action Item be denied and referred to Council. The motion carried by the following vote:

Aye: 5 - Reckelberg, Beeman, Cummings, Anderson and Benzinger
