Sorry, this should be an agenda item.

Lee Kummer has also mentioned this to me.

I think this hoop should be removed. I have had multiple complaints about it.

Dan,  
Can I just do this or should we have PI Committee approve it since we are removing an amenity? July agenda?

It is an issue with the neighbors and the limited parking that we now have here due to the added use of this park over the past few years. (Miracle league, ADA playground, new ball diamond)

Michelle Del Ponte, 905-5975, would like you to call her about the basketball hoop at Dewey St. Park. She said it is located "in the middle of the parking lot." She parked her car near there while some "Asians" were playing basketball. They called her bad names, and she reported it to PD who told her to park down the block. She said that she has a small son who doesn't understand about not running into traffic. Please give her a call about the hoop.
