**Subject:** Municipal Field Ball Diamond

Alderman Brey –

Would you consider adding to your Finance Committee a discussion on talking with the school district about them taking over the baseball diamond at Municipal Field?

We have been chatting for a while about this potential. I would like to bring the committee up to speed on the discussions and ask for their support (or not) to continue negotiating some potential terms to make this happen.

Thanks for your consideration.

**Justin M. Nickels**
