Skatepark Funding Request, recommending Mayor to consider for 2025 Capital Project Budget

Attachments: [24-1729 Skatepark Update](#)

Kris Kouba was present to talk about funding for the Skatepark. Back in 2019 he was in to talk to City about fundraising for the park. The West Foundation is proposing a grant for \$100k, only if the City will match the donation amount.

Mr. Kouba explained the safety issues as the wooden ramps are deteriorating. They have fixed them best they could but at some point they will need to be replaced. The best replacement would be to make these ramps cement. He described some other work that will also need to be completed, such as removal of the fence. The wooden ramps have been in place since 2008.

Phyllis Schippers, President of the West Foundation, was present. She informed the Committee that they meet monthly. They look favorably on City requests and in order to move forward with funding, they will need support from City stating that they will match the funding of \$100k.

The Committee explained that they will need to see the budget that the Mayor presents in November. They will support if it is included in the 2025 budget.

Phyllis stated that January is a good time to come to West Foundation with grant requests.

D. Koski explained that it wasn't part of the CAWG rankings. T. Reckelberg recommended adding to list.

A motion was made by Chad Beeman, seconded by Vice Chair Todd Reckelberg, that the Skatepark Funding Request was recommended for consideration for the 2025 Capital Project budget, and placed on Consent Agenda. The motion carried by the following vote:

Aye: 5 - Cummings, Reckelberg, Beeman, Boldt and DeBaets
