Hi Amber,

Could we get a report/list of accidents in this area? I'm thinking primarily pedestrian incidents or anything you think would be relevant to determine the safety necessity of sidewalks in this area?

Also – if this request should go to someone else, please let me know!

Thank you!

Mackenzie

So. We need to add this to an upcoming agenda. Assuming maybe August 7?

We should invite anyone that would be impacted, and let them know how much they would potentially pay for the installation of new sidewalks.

Construction of Sidewalks in the Royal Oaks Subdivision at the following locations; 2500, 2600, and 2700 blocks of Knuell Street, 2500, 2600, and 2700 blocks of Red Fox Lane, and 4300 and 4400 blocks of Deerbrook Lane, recommending to place the request on file

Who would like to get that letter out?
