Subject: RE: Forestry Assessment Letters

Dear Mackenzie

I greatly appreciate your efforts and concern regarding my issues with my property at 1235 S. 31st Street. I received information pertaining to the assessment letter just last week, and being a full-time resident of Naples FL, the mail delivery service here caused a delay in my response. I manage a small business here in Naples and travel to Manitowoc would cause a financial disruption in my employment. The tree trimming was completed by myself between the date of the letter from June 16, 2016 to October 6, 2016. I respectfully request that the forestry assessment of \$300 be waived as to charge me for duplication would be unfair.

In the future, I respectfully request that any communications other than property taxes be submitted to me via telephone, text messages, or email (239) 207-9488. This will ensure that whenever a code violation occurs in the future that requires a rapid response, I assure you that these issues will be remedied immediately. I was a lifelong resident of Manitowoc and was formerly employed by the school department and realize the importance of responding to local government requests..

Many Thanks

Tim Schaus
