**Subject:** Public Infrastructure Committee Request

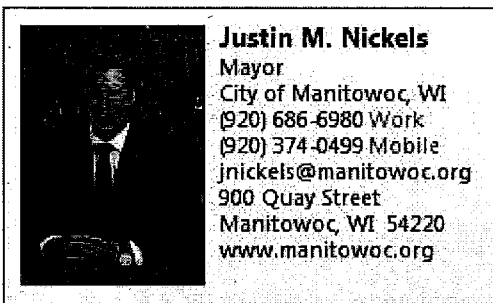

Alderman Novak,

I am requesting a discussion (and possible action) on adjusting the winter parking ban at your next Public Infrastructure Committee (assuming on Wednesday, September 4<sup>th</sup>).

I will have data, information, and specific requests available to you before the meeting. However, more than that, I would like the committee to have a broad discussion on the winter parking ban and its usefulness.

Thank you for your consideration.

- Justin
