Deborah,

I ask that board please delay final ruling on fine for 411 state snow fine. I am absolutely certain of what I read re the three day notice before the city fines and the amendment to your website was made the day after I called in March. I will submit an sworn affidavit if that's what is needed.

Please advise what else the board needs to justly reach a conclusion.

Thank you

I did locate the photo from our cameras at 411 State demonstrating shoveling of walk last March but obviously shoveler not getting down to pavement because of ice. Please submit for council consideration.
