June 16, 2017

Mayor Justin Nickels & Manitowoc Common Council-

I am writing this brief letter to you in regards to the Manitowoc Chiefs Youth Football Organization building a much needed equipment building on city property at 2301 Clay Pit Road.

I have been associated with the Manitowoc Chiefs Youth Football Organization for nearly 30 years in some capacity. Throughout those years we have had to store a lot of football equipment, along with various other items in our locker room area. We are in need of another building to store this equipment and eliminating clutter per say.

Every year we equip anywhere between 140 and 170 children, ages 10 through 14 years of age. This football program has been great to our community and we would like to keep our standards high.

I, along with our board of directors and many volunteers would like the City of Manitowoc to grant permission to build a 24' x 36' storage garage on this property at 2301 Clay Pit Road.

Our football season is closely coming upon us, therefore the sooner we can be granted permission the sooner we can complete this process.

Mr. Rick Schwarz, Building Inspector, has the site plans, etc in his possession.

Thank you so much for your time!

In Football,

A handwritten signature in black ink, appearing to read "Joel Kubsch". The signature is fluid and cursive.

Joel Kubsch
Manitowoc Chiefs Youth Football Organization
President & Football Director
