**Attachments:** Justin M Nickels.vcf

John Brunner would like to be added to the next Parks and Rec. agenda.

See below.

Thanks.

Good Morning Mayor Nickels,

I would like to be put on the agenda of an upcoming Park and Rec Committee meeting in order to update the council on the fund raising progress of the Friends of CPRC group.

I would also like to ask that the commitment amount be lowered to reflect the below budget cost of the HVAC as well as the roofing project that was covered by insurance.

Once on the agenda, could you kindly have the City Clerk inform me of the date and time of the meeting?

Thank you!

John
