Why are you interested in membership on the CP Committee?

I want to get to know the city I live in. Good parts and bad parts. I want to know the people who live in this city with me. I believe that community members should be aware of what happens in schools because it's our generation about to go into the working world and about to be a member of society.
Do you have any special skills, experience, or training that might be beneficial to the CP Committee?
I'm an explorer of the Manitowoc police department. I'm a fast learner and a great listener.

Would you be willing to have your name or phone number listed in the newspapers so that people can contact you with their ideas and concerns about crime in our Manitowoc Community? yes

Will you be available to attend evening meetings on the 1st Thursday of the month for 9 months?
Yes, I will.

(Meeting attendance is very important. The CPC is appointed by the City Council and we are governed by Wisconsin's Meeting Laws. That means that all meetings must be properly announced and that at least half of the Committee Members must be present at the meeting.)
