Thanks Sandy. We should amend the application to include Friday and Sat evening plus Sunday during the day. That will help keep everyone on site and working all weekend too. I plan to have disc golf volunteers onsite assisting with the course work too.

Subject: Event Application - Eagle Scout Service Project

Hi Sandy,

Attached is the application for the eagle scout project overnight at Silver Creek Fieldhouse April 8, 2016. Please let us know if Saturday becomes available as the scouts will be making this a two night - three day project. Will Smith, the scout working on his Eagle designation, would be happy to present his plan to the Rec Board next week if that is an option. I could also present for the Silver Cup at this meeting and give a short update on our 2016 course improvement projects.

We just picked up the donated timbers for the stairs. This project is necessary for the completion of the new fairways on the disc golf course and I really appreciate the help that the scouts are offering. The plan is to burn the brush pile between hole 15-16 on Friday (approved by Chad with supervision by troop leaders and DEW Disc Golf) and to work on the two stair cases on hole 17 and 18 on Sat - Sunday.

Thanks,

Jim Van Lanen Jr.
