Attachments: [Washington Middle School Intersections](#)

School Resource Officer Laabs explained the Manitowoc Public School district realigned the grades this past year. Washington Middle school currently has about 620 6th, 7th, and 8th grade students in attendance. Washington Middle School Administration noticed there aren't painted crosswalks at the intersections where the majority of students cross at Division Street. There is a lot of pedestrian and vehicle traffic before and after school hours so administration feels an upgrade to the intersections around the school would be beneficial.

Moved by Czekala, seconded by Lotz, that this Request be approved and referred to council. The motion carried by the following vote:

Aye: 5 - Howe, Lotz, Czekala, Williams and Pelot
