Subject: Bus Parking on N. 9th (Wilson Jr. High School)

Good Afternoon Alderman Able,

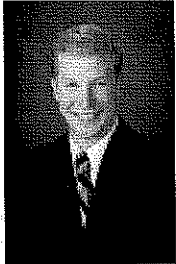

I received a call from Superintendent Mark Holzman this afternoon regarding the new ordinance restricting bus parking on N. 9th Street.

Mr. Holzman, along with Wilson Jr. High Principal Lee Thennes would like to address some concerns they have with this change.

Would you be willing to add them to your next agenda? I copied them in this e-mail if you wish to contact them directly.

Thank you!

- Justin
