**Subject:** Forestry fund PI agenda item

Sonja,

The Tree Commission is recommending a new firewood fee. They proposed the fee during our 11-8-2016 meeting. Please add this to the PI Agenda.

We already have a \$50 (1 ton load) fee for delivered firewood. Normally if a homeowner wants the wood then we don't haul it/sell it, they get it for free. The commission looked at this as lost revenue so proposed a fee for the homeowner if we leave the wood there for them. We would add this to our existing fee schedule for firewood if approved.

Proposed fee:

- 1 ton load of wood left on homeowners property - \$25
