Hi Josh,

Alliance Laundry would like to get a quote to install 2 more of the flashing LED Crosswalk signs like they did about 2 years ago. In 2020, they installed the lights at crosswalk #3 & #4 on the attached map.

Now, I believe that they want to install the LED lights at crosswalks #1 and #2.

Perhaps, we should meet out here again just to make sure that we are all on the same page with what Alliance Laundry wants to have installed. Thanks.

Greg,

Yes that is correct. We are trying to do the other 2 of them if I could get a quote.

Thank you,

Paul

Paul,

Is Alliance looking to do the same thing that we did a year or two ago, where the City has an agreement with Alliance and Alliance pays for the cost of the installation of the lighted pedestrian crossing signs, etc.

I believe that there are 4 crosswalks out there and 2 of them already have the lighted crossings. Are you looking to do the same with the other 2??

Let me know. I guess our electrician and signal person, Mark DeZeeuw, and I should meet with you and probably our supplier, Decker Supply, to get pricing for the requested lighted pedestrian crossings.

Sure, we actually have a policy that is on our website, here is a link:

Let me know if you have any questions.

Thanks

Good morning Dan,

I work for Alliance Laundry Systems and we are looking to add lighted crosswalk signs to two of our crosswalks. I'm not sure who to reach out to in order to get this rolling but I thought I would try you. Are you able to help with this or point me in the right direction please?

Thank you,
