To whom it may concern,

My name is Seth Loberger and I am a Firefighter/Paramedic for the City of Manitowoc Fire Department. I am writing this letter today in regards to a request for an exemption for my current residence. Since December 2022, I've been actively looking for a residence within the 25 miles radius. My local realtor and I have looked primarily at purchasing houses, and have also looked at rentals within the residence requirements. These activities have been without success. During this time, I've been tirelessly working on saving additional for a downpayment. Unfortunately, I still am not pre-approved for the majority of homes available within this community.

I have spent a great deal of time and effort attempting to solve the residency concerns. I have thoroughly enjoyed my time with the City of Manitowoc Fire Department, and would like to continue working to protect the citizens and visitors in this area. I'm asking for an exemption of the residency requirements with regards to my current residence that is merely 2.8 miles outside of the current residency requirements, so that I may continue serving the citizens of the City of Manitowoc for the remainder of my career.

I currently live with my parents and if granted this exemption, will to continue saving money with the intention of purchasing a home within the current residency requirements in the future. As a young man, I work hard and dedicate myself to this community. I respectfully ask for an exception to the current residency radius, which will allow me to reside 2.8 miles outside of the current restrictions until I am able to find an affordable residence within the current 25 mile radius.

Finally, I would like to thank you for your time and consideration with this accommodation, and I would encourage any form of contact with me if any questions or concerns arise.

**Sincerely,**

**Seth Loberger**
