Subject: Public Safety Committee Agenda Item
Attachments: Design Review Sign Guidelines Amendment.pdf;
SignCode_DowntownOverlay_Proposed.pdf

Good afternoon Alderman Boldt,

I would like to request that an item be added to the Public Safety agenda for February 10th.

Bill Nichols and I have been working on amending the boundaries of the Downtown Core Sign District and the Downtown Design Review Overlay District in an effort to streamline and clarify the sign review process when a Business is located in the Design Review Overlay.

I'm attaching a memo and map for your review. Bill and I would be attending to answer any questions.

Thank you,
Kait
