Deb,

I received a phone call from a citizen who is staying with his elderly mother at 619 N 4th Street in Manitowoc. The citizen, Tom Fricke (920) 370-7418, would like a parking issue addressed that occurs between his driveway and the driveway to the north, at 623 N 4th Street. The area between the two driveways is only 15 feet. With the ordinance stating that vehicles must be at least four feet from the driveway, that leaves only seven feet for a vehicle to park. Despite this, vehicles continue parking and blocking the driveways for 619 and 623 N 4th Street. Due to this distance, the Police Department is asking that a "No Parking Between Driveways" sign be placed on the telephone pole that is in the terrace at this location. See attached photos for additional information and an example of what a violator would look like at this location.

Sincerely,

Lt. Matt Wallander
