

My family and I are putting on the Second Annual Suck on the Bone for Charity to raise money for the American Diabetes Association. We are trying to raise money for this cause because in the past two years my grandfather was dealing with great problems and diseases caused by his diabetes. We are hosting this event on September 20<sup>th</sup>, 2014 at the Hideout Bar in Clover, WI. We are trying to raise extra money for the cause by doing a silent auction and basket raffles. We would love to see local Manitowoc companies being a part of this and getting more people into their doors. Please consider us and all the people in the Manitowoc County with diabetes and suffer through it day by day. Thank you.
