Thanks for the email, Amber. At Franklin, we are looking to extend the area in which parents may drop off their students on 33rd Street. Currently, parents can drop off students up to the fence on our side of the street. We only have two busses that bring students to school, so we could move the bus only lane from the corner on the west side of 33rd to our fence. Parents could then drop off their students on 33rd up to the sidewalk on our property. I hope this makes sense. I will take a picture and send it as well. Thank you so much for your support, patience, and efforts.

It's an AWESOME day to be a Falcon!

If you could just provide me with a brief description of what you are looking for that will be fine. I have a map of the school grounds I can use to present it to the committee.
