

**CITY OF MANITOWOC**  
WISCONSIN, USA  
*www.manitowoc.org*

**21-0228**

**DATE:** March 3, 2021  
**TO:** Public Infrastructure Committee  
**FROM:** Billy Hutterer Operations Manager/ Tree Commission  
**RE:** Replacement of Stump Grinder Teeth

The Forestry Division is requesting the use of Forestry Funds not to exceed \$600.00 to purchase a set of teeth for the stump grinder. With the large amount of stumps that need to be removed throughout the city we would like to have spare teeth on hand so that we do not need to stop operations and be able to complete as many removals as possible.
