**RE:** Miracles Field Fence Repair

The Manitowoc Parks Division is requesting the use of funds from the Miracles Donation Tube fund to repair the sideline and outfield fences at Miracles Field.

The sideline and outfield fences at Miracles Field Baseball Diamond have heaved as a result of frost. Currently, balls will be able to roll under the fence.

We are requesting funds, not to exceed \$2,680.00 for the repair of the fences. The fence posts would be driven back down into their original place, lowering the fence to original levels. We believe that this fence maintenance would be best paid for through the Miracles Donation Tube Fund.
